

ORAL PEPTIDE

SLU-PP-332
(SLOOP)

Description:

SLU-PP (Sloop) is a plant-derived peptide with antioxidant, anti-inflammatory, and neuroprotective properties. Early research suggests it may help support cellular repair, brain health, and overall resilience against stress and aging.

Benefit:

Helps protect cells from oxidative stress, reduce inflammation, and support cognitive and metabolic health.

Side Effects:

It is important that you follow the dose and administration instructions as listed. Possible side effects may include mild digestive upset, headache, or fatigue. If any of these symptoms become severe, contact us and let the medical team know.

IMPORTANT

1-2 Months ON 1 Month OFF

AM, Before early afternoon.

Daily

1-4 tablets - Start slow

Store in cool dry place
