

3X BLEND TESAMORELIN/ MGF/IPAMORELIN

BEYOND WELLNESS

Description:

3X Blend combines three peptides to boost growth hormone and support body composition. **Tesamorelin** targets visceral fat, **MGF** supports muscle repair and growth, and **Ipamorelin** stimulates natural GH release for recovery and anti-aging.

Benefits:

Reduces belly fat, builds muscle, speeds recovery, and promotes healthy aging.

Side Effects:

It is important that you follow the dose and administration instructions as listed. Possible mild injection site reactions, temporary water retention, increased hunger, fatigue, or joint stiffness may occur. Rarely, changes in blood sugar may occur. If any of these symptoms become severe, contact us and let the medical team know.

IMPORTANT

1-3 Months ON 1 Month OFF

PM before bed on an empty stomach, at least 90 minutes after your last meal

5 days on 2 days off

Inject 20 units, SQ

Refrigerate

Injection Site:

Use an alcohol swab on the top of the vial and at the site of injection before use. Work in a clockwise fashion around the belly button to ensure the prior injection sites have healed, avoiding tender areas. Other subcutaneous area shown to the left.
